## User information

- This Neckloop from Bellman & Symfon is to be used with hearing aids equipped with Telecoil.
- It is optimized for the Maxi, Sonido, Mino speech amplifiers and the Domino listening system.
- The neckloop can also be used with smart devices, TVs, radios or other equipment that features a 3.5 mm stereo headphone jack intended for low impedance headphones.
- It is discreet and comfortable, and can easily be worn under your shirt. It also incorporates a breakaway neck strap for increased safety.
- **Important!** If you have a pacemaker, we recommend you check with your general practitioner or cardiologist before using a neckloop.
